To Whom It May Concern,

Re Letter of Recommendation for Ekponbor Ese Laureta

I am writing on behalf of the Orange Sky Foundation for Education & Empowerment (OSFEE) to recommend Ekponbor Ese Laureta, who served with the Foundation for a period of six (6) months as a member of the Community Outreach Team, in the capacity of Diaspora and Donor Engagement Officer.

During her tenure, Ms. Laureta was responsible for identifying and engaging diaspora Nigerians and individual donors, cultivating relationships with prospective supporters, and pursuing opportunities for financial support, fulfilment services, and monthly sponsorship on behalf of the Foundation.

Throughout her service, she consistently demonstrated dedication, integrity, professionalism, and a strong commitment to her assigned responsibilities. She proved dependable, receptive to guidance, and capable of collaborating effectively with fellow team members.

Her engagement with OSFEE afforded the Foundation the opportunity to evaluate her capacity to manage responsibilities, execute assigned tasks, communicate with professionalism, and work collaboratively within a team. Based on her performance and conduct, we found her to be trustworthy, reliable, and fully capable of discharging her duties with diligence.

It is therefore our pleasure to recommend Ekponbor Ese Laureta as a worthy candidate for employment and other professional opportunities. We are confident that she possesses the character, commitment, and capability to make a meaningful and positive contribution to any organization she may join.

We wish her continued success in all her future endeavours.

Yours faithfully,

Chris Oshla Shuaibu

National Operations Coordinator (OSFEE).
